Index to Volume XXXVIII

Dates in parentheses after the names of vessels indicate either the years of building or of the reference. Dates indicating the year of the reference are printed in *italic* type. Vessels having compound names are indexed under the initial letter of the *first* word. A list of vessels having compound names, arranged alphabetically by their *last* names, follows the index. This index was prepared by Geraldine M. Ayers of the Peabody Museum staff.

THE AMERICAN NEPTUNE is published quarterly in January, April, July, and October, by The Peabody Museum of Salem, Salem, Massachusetts. The officers of the corporation are: Augustus Peabody Loring, President, Richard Wheatland II, Secretary, and Lawrence Coolidge, Treasurer. The support of the journal depends upon receipts from subscriptions, and no payment is made for contributions or for editorial work.

The subscription rate is $16.00 per year. Subscriptions are accepted only for complete volumes, which coincide with the calendar year. In return for subscriptions received after the beginning of the year, subscribers will receive the numbers that have already appeared in the current volume, as well as the numbers that will be published during the remainder of the year. Single copies are sold at $4.50 each. Certain complete volumes of back issues are available although in cases where the supply is greatly reduced some numbers are sold only as parts of complete volumes.

The Editors of THE AMERICAN NEPTUNE assume editorial responsibility, but they and The Peabody Museum of Salem, do not necessarily endorse the opinions expressed by authors. *Notes for Contributors to THE AMERICAN NEPTUNE,* a folder summarizing the rules of style to be observed in preparing manuscripts, will be sent upon request to prospective contributors.

Subscriptions should be addressed to THE AMERICAN NEPTUNE. Manuscripts, books for listing, and correspondence should be addressed to The Managing Editor.
